A little about us

The Milky Way offers a unique setting for a wedding fayre. We have our own Old Barn wedding venue on site, as well as ample heated indoor exhibition space within the main park. Outside the barn we also have space for cars and other vehicles to exhibit.

We're located near Clovelly, just a few miles from the Cornish border, so we attract couples from North Cornwall as well as Devon. What's more, because we aren't 'just around the corner', you can be sure that our brides are serious!

You can expect to meet lots of brides who have booked their wedding with us at The Old Barn, as well as brides who are viewing the barn on the day to see if it's the venue for them. The Old Barn is a DIY venue with the added bonus of a private dodgems session - this means that our brides are looking for caterers and something 'a bit different', in addition to photographers, florists, cakes and the like!

At our last fayre we attracted around 200 brides and grooms as well as lots of happy exhibitors...

"Just wanted to say, thank you for putting on a great event. Everything ran extremely smoothly and in total we came away with 13 strong leads which is double what I'd hoped for plus plenty more who took leaflets."

Dan Street
Streets Coachways

"A welcoming venue and the experienced event team were fantastic at looking after us all day. A fantastic day to meet lots of couples and share wedding ideas."

Jo Collins
Wedding Celebrant

"What was fabulous was the quality and quantity of brides-to-be coming through. There was a constant stream throughout the whole day, some getting married this year, some next. Some getting married at The Old Barn but others elsewhere."

"I've always said the Milky Way Fair is the best, but in all honesty this year was the best yet!"
